

## **Political Signs**

---

### **Location:**

**City of Kenmore**

### **Background:**

**During political campaigns, candidates often post political signs throughout the City.**

**Listed below is the City policy relating to political signs:**

- **Within the City, political signs can be posted in the public rights-of-way (ROW) and private property, with the owner's permission. Signs posted in the ROW shall be posted in the ROW "outside" the vehicular and/or pedestrian traveled ways.**
- **There is no limit to the time before an election when the signs can be posted.**
- **To help keep our streets and ROW clean, as a courtesy to others, please remove the signs within 10 days after the election.**
- **Signs that are in the public rights-of-way and are causing potential sight distance concerns will be removed.**
- **Candidates are responsible for their own campaign signs.**
- **Signs posted on utility poles/traffic control signs will be removed.**
- **Please designate someone to monitor your signs, as signs that have fallen over will be removed by the departments of Public Works and/or Code Compliance.**
