

If a victim of a hate crime comes in to your business:

1. Call **911** immediately, give the 911 call receiver as much information as possible.

2. Let the victim stay in your business until the Police arrive.

This business is a Kenmore Police *Safe Place* Location.

If the victim leaves, call 911 back and advise that the victim has left, give a description of their clothing and direction of travel, so we can attempt to contact them to be able to report the crime.
