

City of Kenmore Completed Projects

Project Name: 76th Ave/165th St Traffic Calming

Project No.: Txx-0098

Project Location: 76th Ave NE, between NE 165th and NE 167th Street

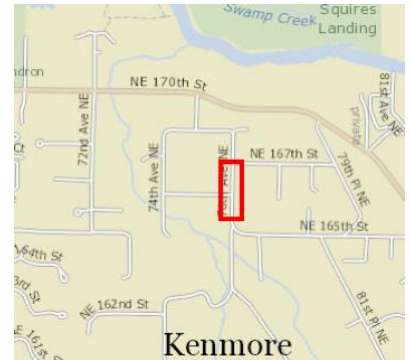

Project Completed: 2008

Project Cost: \$20K

Project Description: The project installed two speed humps on 76th Ave NE approximately 130' and 250' north of NE 165th St.

Background: The City of Kenmore worked with residents to address their concerns about speeding, collisions and what appeared to be southbound motorists' attempt to intentionally become airborne at the crest of the hill at 76th Avenue NE and NE 165th Street.

In September 2007, residents from this neighborhood and City staff met to discuss the installation of two speed humps on 76th Ave NE. With over 60% support from the neighborhood, the speed humps were installed.
