

City of Kenmore Completed Projects

Project Name: NE 202nd Street Sidewalk Project

Project No.: T27-0199

Project Location(s): NE 202nd St between NE 198th Street and 66th Avenue NE;
66th Avenue NE between NE 202nd Street and Kenmore Junior High School.

Project Completed: 2017

Project Cost: \$1.4M (\$675,994 Safe Routes to Schools Fund, \$440,000 TIB Funds, \$259,595 Local Funds)

Project Description: The improvements included the construction of sidewalk along the west/south side of NE 202nd St and along both sides of 66th Ave NE to Kenmore Junior High School. The project included a bike lane along the west/south side of NE 202nd Street a narrower crossing of 66th Ave NE, new marked pedestrian crossing (north/south) at the NE 202nd St. & 66th Ave NE intersection. The crosswalk flashing beacon was also relocated from the east side of the intersection to the north side of the intersection.

Background: The improvements along the project corridor helped the City of Kenmore take another step towards completing the key pedestrian corridor linking the central business district, neighborhoods, and Kenmore Junior High School. The City of Kenmore conducted a study in 2008 of the 68th Avenue NE/202nd Street corridor, which extends both to the south and north of the proposed project area and identified it as a key pedestrian safety corridor.
